**To:** Hiring Team

**Subject:** Front end UI/UX designer intern/job

Dear HR,

I am writing this letter to express my interest in front end UI developer and UI/UX designer opening as advertised online on Facebook.

I enjoy graphics designing and love playing around on the canvas. I possess a wide range of art and design principles. Furthermore, my expert knowledge of UI design, HTML and CSS will allow me to play crucial role in the implementation of your design. Recently I've been learning to create wireframes and I really enjoy prototyping ideas

I'm familiar with the responsibilities associated with the role and can perform confidently. I am certain that I have the necessary skills to successfully do the job proficiently.

I've enclosed my CV that further highlights my experience and knowledge. I would gladly welcome the opportunity to discuss the role further on how my skills and strengths can best serve your company.

I appreciate your time and consideration and look forward hearing from you. Thank you!

Sincerely,  
Sunil Thakur
